 Posts and Telecommunications Institute of Technology (2022 – 2027) – Information Technology, 4th-year student.

SUMMARY

Unity Game Developer with production experience shipping live mobile games on Google Play and the App Store (100K+ downloads), including PvP/ranking-based tournament systems, at WolffunGame. Strong foundation in C#, OOP/SOLID, clean architecture (MVC, FSM, DI with VContainer), and design patterns. Proven leadership and problem-solving skills through competitive programming, ICPC achievements, and game development competitions including Top 2 Gameloft Mentorship 2025 (Team Lead) and Top 1 Athena Game Jam 2025.

SKILL

- **Game Development:** Unity (2D/3D), C#, Android/iOS deployment, UI/UX, Localization (13+ languages), Audio.
- **Architecture & Patterns:** OOP, SOLID, Clean Code, MVC, FSM, **Dependency Injection (VContainer)**, Design Patterns (State, Observer, Singleton, Object Pool, Factory).
- **Systems & SDK:** PlayFab (leaderboard/ranking), Save/Load systems, **Profiler, Mobile performance optimization.**
- **Collaboration & Tools:** Git/GitHub, Scrum/Agile, RACI, Code Review, Jira/Trello.
- **Algorithms:** Strong Data Structures & Algorithms (ICPC, informatics awards).
- **English:** Reading/Listening – Intermediate; Speaking/Writing – Basic.

WORK EXPERIENCE

Game Developer - WolffunGame

November 2025 – Present, HCMC, Vietnam

- Experienced in developing global mobile games within a professional production environment.
- Proactively researched and applied new technologies and solutions into real company projects.
- Collaborated closely with PO, Game Designers, QC, and Artists throughout the development process.
- Shipped to a live audience of 100K+ players on Google Play and the App Store.

PROJECT

TileJourney - CHPlay Game (Android, IOS) - 100K+ Downloads

Link Game: <https://play.google.com/store/apps/details?id=com.legendarylabs.tile.match.tileclub&hl=vi>

- Main Developer of TileJourney, working closely with Game Designers and QA throughout the production cycle.
- Developed and maintained core game systems using MVC architecture for scalable and clean code structure.
- Handled UI implementation, feature integration, and gameplay optimization to improve overall player experience.

Utopia - CHPlay Game (Android, IOS) - 10K+ Downloads

Link Game: <https://play.google.com/store/apps/details?id=com.legendarylabs.utopia&hl=vi>

- Implemented game systems using VContainer and Dependency Injection to maintain a clean and scalable architecture.
- Managed localization implementation for 13+ languages to support a global player experience.
- Built the Tournament PvP mode with ranking-based matchmaking and leaderboard progression, driving competitive player retention.

MoveInJam- CHPlay Game (Android, IOS)— A* Pathfinding AI

Link Game: <https://play.google.com/store/apps/details?id=com.legendarylabs.match.move.in.house.decor.puzzle.relax&hl=vi>

- Lead Developer of MoveInJam, building and maintaining core gameplay systems using MVC architecture.
- Implemented AI behavior using the A* pathfinding algorithm for intelligent in-game movement and navigation.

Game Developer – Feel (Top 2, Gamedev Mentorship Program, Gameloft Saigon Studio, Team Leader)

<https://github.com/vudkhoa/EmotionPuzzle.git>

- Led a 3-member team using Scrum and coordinated between developers and artist.
- Implemented **abstract classes** for EE System (Emotion Element) and Boss System (Angry, Happy, Sad).
- Applied design patterns: **Singleton, MVC, etc.** to structure scalable gameplay systems.
- Built management systems: **UIManager, GameManager, etc.** for overall game flow.

Game Developer – BBQJam (Top 1, Athena Game Jam 2025, Team Project)

<https://github.com/vudkhoa/BBQ-Jam.git>

- Developed with **MVC + Singleton**, integrated **PlayFab SDK** for ranking and **leaderboard**.
- Delivered **30+ levels** with increasing difficulty and **optimized performance** for **mobile**.

CERTIFICATES AND AWARDS

- **Athena Studio (2025):** Certificate of Completion – **Game Development Bootcamp**.
- **Gamedev Achievements: Top 2** – Gameloft Gamedev Mentorship Program 2025.
- **Programming Competitions: 2nd Place** – ICPC (PTIT HCMC Campus, 2023); National Informatics Team Selection Exam
- **Academic Excellence: Top scorer** in PTIT entrance exam (2022); GPA 3.42/4.0 with multiple scholarships.
